The entry forms will be available from SEPTEMBER, and will again be on Excel . This year there are two types to choose from! If you have an older version of Excel, or found the forms last year hard to use, please try the others!

There are full instructions on the sheet, but please do get in touch if you can't cope with it! You can still use the old-style forms if you really can't use the new ones, or have to apply offline. Please contact us if this is the case. These will only be available from slightly later in September.

We would also prefer it, if at all possible, you could pay by BACS; the details will be on the entry forms (which will add up what you owe as you go along).

DANCE SECTION: there will be a separate entry form for this section, which can ONLY be accessed online. This will be via a link on our website and will be similar to that used for other dance festivals. Should dance schools wish to enter the other sections (as, we are pleased to say, they increasingly are)... please use the new forms which will be downloadable from the website from September.

BIRTHDAY CUT-OFF: PLEASE NOTE, the age of the entrant for the relevant class will be taken as the **1st SEPTEMBER 2023** for all dance classes. It remains as the 1st MARCH 2024 for all other sections.

GENERAL RULES

7

1. The festival is open to performers of all ages, and from all locations.
2. Unless otherwise specified, performers in all classes must be amateurs (an amateur is considered to be one who does not derive the main part of their income from that section of the art in which they are proposing to enter the Festival NOR is receiving full-time professional training in that subject). This does not apply to accompanists or conductors.
3. A performer must be the specified age on 1st September 2023 for dance, and 1st March 2024 for all other sections. In age specific classes the age of all performers under 21 must be noted on the Entry Form in the appropriate column. Some classes are reserved for Senior Citizens, but senior citizens are also welcome to enter any other adult class.
4. Impersonation will debar all participants in the fraud from taking part in this & future Festivals.
5. All performers in choirs or other groups must be bona fide members.
6. Entries must be made by the closing date, 1st December. Late entries will only be considered if agreed in advance with the relevant Convenor(s) and may incur an extra charge.
7. No late entries or alterations will be allowed after the programme has gone to press, except where a mistake has been made by the Festival. ALL alterations must be notified to the relevant convenor by 1st December.
8. The Committee reserves the right to combine or cancel any class due to insufficient entries.
9. A performer may perform a piece once only in this year's Festival and may not include a set piece in an 'Own Choice' selection.
10. 'Own Choice' titles should be stated on the Entry Form and should be limited to 3 minutes unless otherwise stated. Late selections must be notified to the convenor no later than two weeks prior to the commencement of the section.
11. Performers must provide a copy of 'Own Choice' items for the adjudicator
12. Payment of Performing Rights Fees is the responsibility of each performer.
13. Any good edition of set pieces will be accepted.
14. The convenor reserves the right to commence any class up to 30 minutes before the appointed time.
15. Entries that exceed the stated time limit will be penalised and the adjudicator reserves the right to stop a performance that is overrunning.
16. Entrants in the Instrumental section must bring their own instruments (including drum kits etc.) unless cleared in advance with the Section Convenor.
17. Performers are respectfully asked to dress as befits the occasion.
18. **NO PHOTOGRAPHY, SOUND or VIDEO RECORDING by ANY** means is allowed; not only can they distract performers and infringe copyright law, but, most importantly, any recording goes against our child protection policy. Mobile phones must be switched off.
19. NO SMOKING is allowed inside any of the Festival venues during the Festival.
20. Those in the audience are expected to behave appropriately, e.g. not entering or leaving the hall while a performance or adjudication is in progress and above all remaining silent while others perform and when the adjudicator or stewards speak. Anyone deemed not to be behaving appropriately will be asked to leave; no refund will be given in this case.

21. Parents/guardians/teachers are responsible at all times for the welfare of the children/young people (**up to the age of 18**) in their charge **and MUST stay on the premises throughout the time their children/yp are there. ONLY licensed chaperones are allowed backstage at any venue.** The Festival does not hold itself responsible for any injury sustained by any competitor or member of the public whilst on the Festival premises.

22. All trophies awarded from 2023's Festival must be returned to the **relevant convenor by 1st March 2024.** Similarly, all trophies awarded at this year's (2024) Festival must be returned by **1st March 2025** Failure to do so will result in the winner being billed for the trophy and all necessary re-engraving. Those wishing to have their names engraved on trophies they have won must arrange this by themselves.

23. Any complaints relating to the competition should be sent to the Secretary in writing enclosing a S.A.E. Any queries regarding a section should be directed to its Convenor.

24. The decision of the Adjudicator is final. He/she shall have the power to withhold any certificate if, in his/her opinion no performer reaches a sufficiently high standard. Awards are also at the Adjudicator's discretion and may not necessarily reflect the highest mark in a class or section.

25. Infringement of any of our rules might result in a competitor and/or all from that teacher/school being banned entry in ensuing classes and future festivals. Participants into the festival are agreeing to abide by our rules when signing and submitting the entry forms.

PLEASE CONSULT ADDITIONAL REGULATIONS FOR INDIVIDUAL SECTIONS

GENERAL ADVICE

Please ensure also that all entrants are placed in the correct classes.
Once the programme has gone to press it is difficult to make changes

Occasional slips happen to everyone; so it is often a good idea to enter two or more classes, e.g. one class set by grade and one open class.

Presentation is an important part of any performance, so consideration will be given to entrants who, for example, introduce their pieces clearly and acknowledge applause at the end.

Thanet Music and Drama Festival ("TMDF") aims to provide a safe and caring environment for all its participants, and to conform to current safeguarding legislation.

Lucy Cockett is our designated safeguarding person (DSP).

The following constitutes TMDF's safeguarding policy:

1. Purpose

The purpose of the festival is to advance the education of the public in the performing arts, by holding an annual competitive festival and presenting public performances.

2. Environment

It is our policy under the Protection of Children Act 1999 to involve parents/guardians/ carers and teachers in partnership with us to ensure a safe environment at the festival, insofar as it is reasonably practicable.

3. Application

This policy relates both to children under the age of 18 and to those vulnerable adults who are identified to the organizers prior to their arrival at the festival. The festival recognizes the needs of children who are disabled or from ethnic minorities, and will seek to meet any specific needs notified to the festival in advance by parents/guardians/carers or teachers.

4. Personnel

TMDF is run entirely by volunteers, all of whom have independent references and are briefed about the terms of this policy. Should any problem arise regarding the terms of this policy, it should be notified to a TMDF Committee member, identifiable by badge, who will take appropriate action in a discreet manner.

5. Preparation

All participants in this festival will be expected to have seen this policy. In accordance with this policy, it is essential that parents/guardians/carers not personally attending the festival be satisfied that their children etc. are accompanied and adequately supervised by responsible adults acting on their behalf; TMDF staff will not undertake this rôle. With group entries, the group leader must ensure that all parents/guardians/carers are aware of this policy. Each person signing the entry form thereby takes full responsibility for those entered by the form.

6. Changing areas

It is emphasized that the article above applies equally to changing areas, i.e. that responsibility remains with the supervising adult in each case. Property left unattended is also not the responsibility of TMDF.

7. Photography

No photography (including video photography) is permitted at the festival, other than by accredited members of the press. Such photography will always take place in a public place. Any parent/guardian/carer not wishing the individual(s) in their care to be photographed must notify the photographer in good time.

8. Legislation supporting this policy

The Children Act 1989, The Police Act 1997, The Data Protection Act 1998, The Human Rights Act 1998, The Protection of Children Act 1999, The Criminal Justice & Court Services Act 2000.

9. Reporting issues

Any issue should be reported directly to a volunteer, to the convenor, or to the DSP.

For any queries relating to this document please contact the DSP: thanetdancefestival@gmail.com

In the case of **Set Pieces**, the Adjudicator will already have a copy.
